### Strong Points

- Ready to Use
- Neutral detergent
- Scented
- Not aggressive on the treatments performed
- Universal, can be used on all surfaces
- No residual
- Solvent free
- Practical package with Spray (optional)

### Application

#### **SHAKE BEFORE USING.**

PRODUCT READY TO USE, DO NOT THIN.

Manual cleaning: Spray the product directly on the grit and/or cementoprime product with a special nebulizer and rub with a cloth (preferably microfibre), let it dry before using the product. It does not require rinsing.

### Warnings

Before using the product, read the toxicological data sheet (MSDS) and the label detailing all risks and the personal protective equipment to be used for a correct use. The data of this technical data sheet is based on reliable information. Despite of this, not knowing either the materials to be treated nor their conditions, the specific characteristics, the processes and finishes they have undergone, the conditions of the treated materials and the way in which the product will be used, we decline any and all responsibility for damage arising from inadequacy of the product for specific and particular applications.

Therefore before using the product, carry out a test on an invisible area of the surface and only when sure about the success, proceed on a larger area. Our responsibility is limited to the cost of the purchased product and therefore we are not liable for damages resulting from negligence or incorrect or different use of the product, from not following these warnings or by other factors that do not depend on the product itself.

### Packaging and Storage

Keep the original, sealed container in covered, ventilated, dry environment and keep away from heat or low temperatures.

After the use keep the package well closed, so the product has a shelf life of approx 36 months.

Box of 15 x 1 litre bottle (Bottles also sold individually)
